## **"FACE-TO-FACE MASS OATHTAKING OF THE NEW PROFESSIONAL TEACHERS"**

January 29, 2023

Oath Taking is a public pledge that a person will perform some action or duty, generally with the promise of doing so truthfully. An oath can also be used as a way of promising oneself to support a cause or an entity. Oaths are often done in the name of a deity—like swearing “under God”.

On January 29, 2023, Professional Regulation Commission (PRC) administered the face-to-face mass oath taking of the Newly Professional Teachers at the PICC Plenary Hall. All the passers of Licensure Examination for Teachers on October 2, 2022, including the 3 EDM scholars Errol Florano Rodel, LPT, Sergio Grana, LPT, John Mark Q. Acuin, LPT and the new Instructional Manager of PSPEI Ms. Vicky-Jean G. Ogalinola, LPT, attended the ceremony.

Their diligence, sacrifices, determination and sleepless nights during the review paid off. Again, Congratulations Newly Licensed Professional Teachers!
