FUN RUN 2023

Theme: "BIDA Bayanihan ng Mamamayan Fight against Drugs"

February 26, 2023

"Drugs are a waste of time. They destroy your memory and your self-respect and everything that goes along with your self-esteem." – Kurt Cobain

Drug is any substance (other than food) that is used to prevent, diagnose, treat, or relieve symptoms of a disease or abnormal condition. Drugs can also affect how the brain and the rest of the body work and cause changes in mood, awareness, thoughts, feelings, or behavior.

On February 26, 2023, around 16,000 runners participated in a Fun Run at the Mall of Asia grounds in Pasay City Sunday, to show their support for the Government's Campaign against illegal drugs. The Parola PSPEI Staff's Mr. Darren M. Ilarina, Ms. Elijah Echevarria, Ms. Lucita Lachica - Livelihood Coordinator and Ms. Angel Miralles-RSW and 19 Junior High School learners took part in the Fun Run events.

The "Buhay Ingatan, Droga Ayawan (BIDA) Bayanihan ng Mamamayan Fun Run at Serbisyo Caravan" is considered one of the largest turnouts for any event organized by the Department of the Interior and Local Government

(DILG). It seeks to promote DILG's renewed anti-drug campaign that started last November.

According to Benhur Abalos Jr., "Together, we will conquer drugs and show that the Philippines are against it. We know this is a global problem. This day proves that the Philippine National Police (PNP) and Philippine Drug Enforcement Agency (PDEA) are not the only ones fighting drugs."

This event is very significant to our learners because it shows that encouraging young people to engage in productive activities like sports might help them avoiding the risks of using illegal drugs.
