February 8, 2024

On February 8th, 2024, Puso sa Puso Edukasyon, Inc.'s Parola Center hosted a Feb-ibig celebration as part of the Learners Formation program. The event focused on "Teen Sexuality and Protective Behavior," in celebration of the Month of Love. Our Parola Inter-Agency Network (PIAN)-International Container Terminal Services Inc. (ICTSI) partnered with the Family Planning Organization of the Philippines (FPOP). Mr. Michael B. The learners, gained insights from Mr. Himor and Mr. Fajardo about teenage sexuality, relationships, and value clarification within comprehensive sexual education (CSE). Given the increase of adolescent pregnancies and health issues from unsafe sex, "CSE" aims to educate and motivate young people to take responsibility for their sexual and relational choices and behaviors. This knowledge equips them to handle such situations and encourages them to take charge of their lives.

Mr. Fajardo emphasized the purpose of the Sexual Orientation, Gender Identity or Expression (SOGIE) bill, also known as the Anti-Discrimination Bill. It aims to protect individuals who continually face harm from institutions and society. The primary objective is to ensure protection from abuse, violence, and dehumanization. The fight against abuse is not about special treatment, but about being respected as human beings.

At the end of the event, certificates were awarded to Mr. Himor, Mr. Fajardo, and each participant.
