Coordinator*

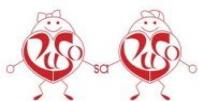

A simultaneous activity in the scholarship program of Puso Sa Puso Edukasyon, Inc. Payatas and Parola was held in collaboration with Enfants Du Mekong. Sr. Frances Mangabat, SDS Puso Sa Puso Edukasyon, Inc., program Coordinator, and the undersigned social workers organized a Kumustahan activity to allow graduates and current scholars to meet and greet the EDM coordinator, Tahiana, as well as the newly appointed Assistant Director, Rev. Fr. Christopher Osares, SDS.

The most important aspect of the Kumustahan Activity was sharing their life lessons learned over the years as a scholar and as a member of the institution. Throughout the activity, everyone had the opportunity to talk about their experiences during the pandemic, as well as their families and current situation. Tahiana also talked about one of the most fundamental regulations a scholar must follow, which include their obligations. Fr. Christopher also offered some pieces of advice and words of encouragement to the scholars, which were well taken.

It is true that at this time of pandemic crisis, everyone requires patience and determination in order to achieve their goals. Sr. Frances Mangabat, SDS, and Rev. Fr. Christopher Osares, SDS, shared a lunch meal with the graduates, current EDM scholars, EDM coordinator, and Puso staff.
