Fr. Ralph Vera Mestosamente, Parish Priest of San Pedro Calungsod Mission area spearheaded the said mass. In his homily, he gave words of enlightenment, encouragement, and hope to each learners. He emphasized also that God knows who the needy are and He knows the right people He will send to serve as an instrument to help them. All of us face different challenges, but don't be discouraged, instead stand, continue to live and serve the Lord.

Thanksgiving Mass at Parola center

January 25, 2019

Last January 25, 201, Parola center held their thanksgiving mass at Nuestra Seniora dela Soledad Parish, Camba Binondo Manila. It was presided by Rev. Fr. Beniz Gomez, a Pallottine priest. The mass was attended by the combined learners of ALSA BUHAY Program from elementary to secondary, and the parents of Mother and Child Nutrition Program (MCNP).

Fr. Ben reflected his homily on the gospel and shared insights to the importance of conversion as St. Paul was converted from Christian conqueror to a disciple of Christ. Fr. Ben compared our life to a flower trampled on the ground, "our life is also trampled by sins and wrong doings, like how the petals of the flower detached from its buds, it cannot be put back again. The only way for the flower to bloom again it should be put in the altar together with Jesus. Like Paul surrendered himself to Christ, despite of what he did to Him. He was forgiven and chosen to be one of His disciples."

After the liturgy, the mass proceeded to its second part, the Eucharist. Everyone joined and partook the body and blood of Jesus.
