**A Concluding Eucharistic Celebration for 2 days Lenten Recollection
(April 6-7, 2017)**

"Look, we are going up to Jerusalem, and the Son of Man will be betrayed to the chief priests and scribes. They will condemn Him to death and will deliver Him to the Gentiles to be mocked and flogged and crucified. And on the third day He will be raised to life."

-Mt. 20:18-19

Lenten is the season of prayer, sacrifices, forgiveness, repentance, fasting, and recognizing the greatest love of God to us. As the preparation for the second coming of our Lord and the fulfillment of His promise, the learners of the ALASA BUHAY Program and their parents as well as the victims of fire disaster have undergone recollections.

On April 6, 2017 learners attended their recollection with the theme of "Kwaresma: Panahon ng Pananalangin, Pagsisisi at Pagpapatawad" or Lenten: Season of Prayer, Repentance and Forgiveness. Meanwhile, on April 7, 2017, the parents of the learners and the other beneficiaries held their recollection facilitated by Sr. Mila Singap, FLP with the theme of "Kwaresma: Panahon ng Pagninilay, Taimtim na Pananalangin at Paggunita sa Dakilang Pag-Ibig ng Ama."

At the end of the second day of the recollection, the learners and parents as well as the other beneficiaries gathered once again to conclude their activity. It is the holy Eucharistic celebration and it was celebrated by Fr. Wilson Catabay, SDS. The mass was held at Brgy. Covered Court of Brgy. 272, Zone 25, Binondo, Manila last April 7, 2017.

Fr. Wilson gave focus on the importance of prayer. Like how Jesus prayed on the garden on the night before he was betrayed, he is also asking the people to pray for their neighbor, for the peace of their hearts and for the clarity of their minds. "We died everyday" he added. "We died on the terrible situation of our society, to the misunderstanding of our family, to the insecurities and many others. But like how Jesus risen from the cross, He is always saving us from our death and give us chance to stand again and to walk back on His path." He continued.

The mass ended in a holy communion and blessings of the celebrant priest.

The National Museum is the next place where the learners explored together with the tour guide. The first building, the National Fine Arts, where learners learned the different collections of arts made by famous Filipino artist such as: easel paintings, sculptures, icons, sketches and mixed media. He added that they should learn to say "yes" and "no" in many circumstances. Yes, to speak the truth and being honest, to be a kind person, to choose to help others, and to obey rules and following instructions. Like God's promises, the foundation promise to help the beneficiaries in changing their lives through free education, helping them to pass the Accreditation and Equivalency Test. But the learners must do their part to be faithful to their studies, by attending classes every day, and do their homework and projects.
